### **DETAILED ACTION**

This action is in response to Applicant's amendment filed June 23, 2008. Claims 100-119 are pending in the present application.

In view of the Petition Decision filed on September 28, 2009, PROSECUTION IS HEREBY REOPENED. A new ground of rejection is set forth below.

#### ***Claim Rejections - 35 USC § 101***

Applicant's amendment overcomes the 101 rejection. Therefore the rejection of claims 110-119 are now withdrawn.

#### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 100-119 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 100 recites in part "in a first one of the web-sites, ***interacting*** with a first one of the end-users over the internet, and in ***response...***"

It is unclear as to what is intended by "interacting." It is also unclear as to how a response is related to the interaction between user and website. In other words, it is

unclear as to how the response can be created without a request. These issues also apply to the second web-sites and end-users.

Claim 110 recites in part "a first web-server configured to ***interact*** with a first one of the end-users over the internet, and in ***response, to transfer...***"

It is unclear as to what is intended by "to transfer." Furthermore, it is unclear as to what is intended by "interact." It is also unclear as to how a response is related to the interaction between user and website. In other words, it is unclear as to how the response can be created without a request. These issues also apply to the second web-sites and end-users.

### ***Allowable Subject Matter***

Claims 100-119 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
